If the SMALL ENTITY is shown as YES, verify your current SMALL ENTITY status:

A. If the status is the same, pay the TOTAL FEE(S) DUE shown above.

NOTICE OF ALLOWANCE

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 1/30/2008 has been entered.

This is a Notice of Allowance in response to Amendment filed 1/30/2008.

Claim 15 is cancelled. Claims 1-14 and 16-30 are in the Application.

Allowable Subject Matter

Claims 1-14 and 16-30 are allowed. Renumbered Claims 1-29.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior arts of record taken alone or in combination fail to teach, anticipate, suggest or render obvious a method and apparatus for testing arbitration logic associated with a digital logic device, as recited in the independent claims, below.

Independent claims 1 and 28, as currently amended, recite among other limitations "determining a pseudo-random delay at the secondary component prior to responding to the request" and "sending a response from the secondary component after the pseudo-random delay."

Independent claims 13 and 21, as currently amended, recite among other limitations "wherein the values include a first value used to adjust the wait-state of the secondary component and a second value used to adjust the latency of the secondary component, wherein the wait-state is time the primary component has to wait before the second component accepts requests and the latency is time the secondary component takes to respond to the request."

Consequently, Claims 1-14 and 16-30 are allowed over the prior arts of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
